1 PROJECT STATUS REPORT PURPOSE

This Project Status Report is a document that the Project Manager uses to report on the status of the Bonifacio Global City (BGC) Bus Passenger Information System: Bus Tap to the Project Adviser and the CSPROJ2 Course Instructor to show the team's weekly progress.

2 PROJECT STATUS REPORT

2.1 Project Status Report Details

- System design have been presented to the panelists during the Finals Presentation in SYSADD1. Comments of the panelists have been addressed and has been edited or added on the documentation to be submitted for the Midterms Presentation in CSPROJ2. Mobile and web developing of the Bonifacio Global City (BGC) Bus Passenger System: Bus Tap is ongoing.
 - The Bonifacio Global City (BGC) Bus Passenger Information System: Bus Tap is a project that aims to create a passenger information system that will connect the passengers of the BGC Bus to the bus company through a web and mobile application, Bus Tap.
 - For the reporting period of February 12-19, 2018, the team completed the create account, log in / log out, and reset password pages of the mobile app; the web app counterparts have not yet been started because of issues regarding the tools chosen by the team for the web app.
- Because the create account, log in / log out, reset password, and menu pages of the web app have not been completed for the reporting period of February 12-19, 2018, the mentioned milestones are already behind schedule, and will be added to the other milestones for the reporting period of February 20-26, 2018.
