1 PROJECT STATUS REPORT PURPOSE

This Project Status Report is a document that the Project Manager uses to report on the status of the Bonifacio Global City (BGC) Bus Passenger Information System: Bus Tap to the Project Adviser and the CSPROJ2 Course Instructor to show the team's weekly progress.

2 PROJECT STATUS REPORT

2.1 Project Status Report Details

- Current progress on the working prototype of the Bus Tap has been presented to the panelists during the Midterms Presentation of CSPROJ2. Comments of the panelists are being addressed and are being added on the documentation to be submitted for the Finals Presentation. Mobile and web development for the Bus Tap is ongoing.
 - The Bus Tap is a project that aims to create a passenger information system that will connect the passengers of the BGC Bus to the bus company through a web and mobile application, Bus Tap.
 - For the reporting period of March 13-19, 2018, the team edited the Introduction, Related System, and Technical Background of the Project Documentation.
 - For the next reporting period of March 20-26, the team will be reviewing and revising the UML diagrams. The team will also be completing the Feedback page of the mobile and web application.
