1 PROJECT STATUS REPORT PURPOSE

This Project Status Report is a document that the Project Manager uses to report on the status of the Bonifacio Global City (BGC) Bus Passenger Information System: Bus Tap to the Project Adviser and the CSPROJ2 Course Instructor to show the team's weekly progress.

2 PROJECT STATUS REPORT TEMPLATE

2.1 Project Status Report Details

- The group is currently in the process of planning for the development of the application
 - The group discussed and agreed upon what tools to use upon developing the application but no approval yet from the adviser.
- The group's expense will be focus on buying tools that will be helpful for the project. For example, the group required to buy tracker to test one of the apps' feature
- A concern like consultation between group members is one problem. But this is just minor and can be address right away.
- The team expected to work double time so that the project will be finished before deadline.
