TABLE OF CONTENTS

1 PROJECT STATUS REPORT PURPOSE

This Project Status Report is a document that the Project Manager uses to report on the status of the Bonifacio Global City (BGC) Bus Passenger Information System: Bus Tap to the Project Adviser and the CSPROJ2 Course Instructor to show the team's weekly progress.

2 PROJECT STATUS REPORT

2.1 Project Status Report Details

- Current progress on the working prototype of the Bus Tap has been presented to the panelists during the Midterms Presentation of CSPROJ2. Comments of the panelists are being addressed and are being added on the documentation to be submitted for the Finals Presentation. Mobile and web development for the Bus Tap is ongoing.

    - The Bus Tap is a project that aims to create a passenger information system that will connect the passengers of the BGC Bus to the bus company through a web and mobile application, Bus Tap.

    - For the reporting period of March 6-12, 2018, the team completed the pages for the bus routes, bus stops, and bus schedules of the web app. These pages can be used by the employees of the BGC Bus to create, read, update, and delete bus routes, and bus schedules in the database. Pages for viewing the different bus routes and bus stops of the BGC Bus in the mobile app were also completed.

    - For the next reporting period of March 13-19, the team will be reviewing and revising the project documentation.
