TABLE OF CONTENTS

1 PROJECT STATUS REPORT PURPOSE

This Project Status Report is a document that the Project Manager uses to report on the status of the Bonifacio Global City (BGC) Bus Passenger Information System: Bus Tap to the Project Adviser and the CSPROJ2 Course Instructor to show the team's weekly progress.

2 PROJECT STATUS REPORT

2.1 Project Status Report Details

- The documentation, web app, and mobile app of Bus Tap has been presented to the panelists during the Project Defense of CSPROJ2. Comments of the panelists are being addressed and are being added to the documentation, mobile app, and web app, for the submission on April 27, 2018.

    o The Bus Tap is a project that aims to create a passenger information system that will connect the passengers of the BGC Bus to the bus company through a web and mobile application, Bus Tap.

    o For the reporting period of April 10-16, 2018, the team presented the documentation, web app, and mobile app of Bus Tap. Minor changes, as suggested by the panellists during the Project Defense, are being completed on the web app and mobile app for MERGE 2018.

    o For the next reporting period of April 17-23, 2018, the team will be revising the Project Documentation according to the panelists' comments during the Project Defense, and will be finalized for the submission of the softcopy and hardbound copies of the Project Documentation on April 27, 2018.
